Donald L. Babcock, <i>ED Director</i> <a href="mailto:dlbabcock@nisource.com">dlbabcock@nisource.com</a>	Diane Thalmann, <i>ED Manager</i> <a href="mailto:dlthalmann@nisource.com">dlthalmann@nisource.com</a>	Cindy Admave, <i>ED Project Analyst</i> <a href="mailto:cmoss-admave@nisource.com">cmoss-admave@nisource.com</a>
---	---	---

**PLEASE NOTE:** Although there is natural gas infrastructure in this area, it will be necessary for NIPSCO to perform an infrastructure analysis to determine if the existing infrastructure is capable of handling any new proposed load. NIPSCO systems engineers will evaluate the existing infrastructure in detail and determine what new infrastructure and associated costs will be required to meet the needs of any new facility.
